

Lots of Drawing Ideas from the Belly Bugs

I love notebooks and sketchbooks. I have lots of them.

Sometimes it's hard to tell which is which because my notebooks have sketches and my sketchbooks have notes.

Drawings help me remember things and are such fun to do. Here's my drawing of Happy Bug being happy. Just looking at it makes me happy too!

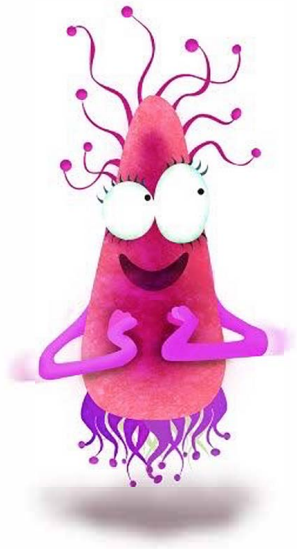

From my sketchbook >

I'm always looking for new things to draw. So I asked the Belly Bugs for some ideas. They had lots of suggestions.

I thought you might like to have fun trying them out too.
